20 Burkina Faso and the neighboring G5 Sahel countries, their leaders and civilians;
- 21
22 3. **Requests** the governments of Burkina Faso, Mali, and the neighboring G5 Sahel coun-
23 tries to closely and strictly monitor the borders in the time of searching the terrorist
24 group and neutralizing the threat by:
- 25 a. urging Mali and the neighboring G5 countries to stop air traffic with any other
26 country,
- 27 b. encouraging the government to share any information regarding the terrorists
28 with other countries immediately to make the search for the terrorists most effi-
29 cient;
- 30
31 4. **Decides** to mobilize the armies of the Sahel Region to search and eliminate the terrorist
32 group responsible for the assassination of the President of Burkina Faso;
- 33
34 5. **Requests** for all United Nations member states to share their intelligence of the actions
35 and whereabouts of the terrorist organizations to:
- 36 a. find their headquarters and hideouts, which shall then be shared across the
37 United Nations and G5 Sahel forces,
- 38 b. improve coordination between all armed forces in the region,
- 39 c. allow warning civilians and governments early, which shall give them enough
40 time to evacuate or build up defenses to minimize casualties and further insta-
41 bilities;
